APEL (A) or Accreditation of Prior Experiential Learning was introduced by the Malaysian Qualifications Agency (MQA) to enable working professionals with a direct pathway towards higher education without prior formal educational qualifications. It is a systematic process that involves the identification, documentation and assessment of prior experiential learning to determine the extent to which an individual has achieved the desired learning outcomes, for access to a programme of study and/or award of credits.

**Your Educational Pathway**

**What can be considered life experiences?**

- Formal education
- Informal education
- Life and work experience
- Short courses and training
